What is ReAct Plus?

ReAct+ offers tailored solutions which may include financial support, skills training and Personal Development Support to help remove barriers to employment, such as support with mental health, confidence building, language skills and more.

ReAct+ is a new grant programme that builds on the success of previous programmes and is part of the Welsh Government's Young Person's Guarantee. For further information visit:

www.workingwales.gov.wales/how-we-can-help/react-plus

ReAct Plus - Eligibilitu?

To be eligible for ReAct+ support you must be aged 18+ and be a resident in Wales with a right to live and work in the UK and either:

- Under formal notice of redundancy or
- Been made redundant or unemployed within the last 12 months

If you are aged 18-24 and not in education, employment or training you will also be eligible for ReAct+ support.

How ReAct+ could support your next employer

Have a prospective employer in mind? Employers can access ReAct+ support to help with the cost of wages and job-related training for an eligible new recruit.

You must not have worked for 6 weeks or more since your redundancy or unemployment before they apply. You also must not start working for your new employer until the support is approved.

What Our Customers Say!

Just a short note to say a big thanks for the FLT Instructors Re-Registration course. From start to finish I was impressed by all aspects of COTS, the premises, equipment, course literature and information were all of the highest standard, only surpassed by the excellent standard of tuition delivered by Paul, he is a credit to the operation. I won't hesitate to recommend COTS to anyone that needs training; in fact I'm proud to be able to say that COTS looks after all of Castell Howell's training needs, and the peace of mind it gives to me that the standard of training delivered is the best in the business. Well done on a great job!"

- Martin Jones, Director of Transport Operations, Castell Howell Foods Ltd

About Commercial Operator Training Solutions Ltd

COTS Training was established in 2009 to provide a comprehensive and relevant set of courses to comply with the many sets of legislation that surround our working lives. Commercial Training is at the core of our business, working with some of Wales' largest organisations and with customers throughout the UK.

We are in our fourteenth year of trading, with a Head Office and large training and LGV test centre based in Llandarcy, SA10 6EN just off Junction 43 of the M4, and an established 3 acre NPORS approved Plant, Lifting & Construction training centre based in Briton Ferry.

Our centres offer a range of accredited training in the transport, logistics, industrial, construction, lifting and manufacturing sectors with the flexibility of delivery at our sites or our clients' premises.

Accreditations are held with CITB, CILT, ALLMI, PASMA, SQA, RTITB, City & Guilds, Highfield, NPORS, DVSA and JAUPT. Along with our own internal quality system, our awarding bodies regularly audit our training standards and processes, with feedback and audits showing strong adherence and high-quality delivery to each of the courses we deliver.
